Experience

Senior Associate - Cyber & IT Risk

April 2024 – Present

Grant Thornton

Gurgaon, India

- Banking & Finance: Assisted in identifying risks and evaluating controls for a leading digital payments bank. Evaluated risks related to third-party relationships for a leading Financial Asset Management company.
- Gap Assessment and Internal Audit: Conducted comprehensive gap assessments by holding multiple meetings with stakeholders. Performed end-to-end internal audits and IT general controls audits for non-financial services clients.
- Change Management Implementation: Ensured the implementation and adherence to change management processes, including Git branching strategies, the use of Infrastructure as Code (IaC) tools like Terraform, and performance monitoring using AWS CloudWatch. Third-Party Risk Management: Extensive expertise in assessing, mitigating, and managing risks associated with third-party relationships.

Intern - Cyber & IT Risk

Oct. 2023 - April 2024

Grant Thornton

Gurgaon, India

- Risk Assessment and GDPR Compliance: Conducted risk assessments and gap analyses for data privacy vulnerabilities, enabling tailored GDPR compliance strategies. **Managed** Third Party Risk Management to ensure secure operations.
- KPI Report Analysis: Analyzed daily, weekly, and monthly KPI reports to assess revenue impact, providing insights for strategic decision-making.
- Audit Tracking and Process Improvement: Tracked internal and external audit findings using Non-Conformity and corrective action trackers, ensuring timely closure. Contributed to process gap analysis and resolution.
- Regulatory Compliance: Mapped regulatory requirements to existing controls, guiding the team in closing identified gaps and ensuring compliance.

Relevant Coursework

- **Data Structures**
 - **Software Methodology**
- **Algorithms Analysis**
 - **Database Management**
- **Advanced Java Programming**
- **Operating Systems**
- **Software Engineering**
 - DevOps and CI/CD

Projects

Personal Portfolio Website

- The website serves as a professional online resume, featuring an about section, a downloadable resume, a contact form, and links to social media profiles, providing a comprehensive and accessible way for potential employers and clients to learn more about my expertise and experience.
- Tech Stack : HTML, CSS, JavaScript.
- Link https://github.com/VikrantVikramSingh/Personal-Portfolio-Website

Personal Resume Website

- The website serves as an interactive portfolio, featuring detailed descriptions of projects, downloadable resumes, and links to social media profiles, ensuring that my professional information is easily accessible and up-to-date.
- A personal resume website provides a professional platform to highlight my skills, work experience in a visually appealing and organized manner, making it easy for potential employers and clients to review my qualifications.
- Tech Stack : HTML, CSS, JavaScript.
- Link https://github.com/VikrantVikramSingh/Vikrant-Resume-Website

Technical Skills

Languages: Java, Python, SQL

Frameworks: Spring Boot, Spring MVC, Hibernate

Developer Tools: Git, VS Code, Visual Studio, PyCharm, IntelliJ, Eclipse Coding Profiles: LeetCode (100+ Questions), GFG (100+ Questions)

Problem Solving: Data Structures, Algorithms Software Engineering: Microservices, OOPS

Databases: MySQL, PostgreSQL

Education

Dr. A.P.J. Abdul Kalam Technical University (AKTU)

Bachelor of Technology - Computer Science - CGPA - 7/10

July 2019 - June 2023

Achievement / Extracurricular

- Certification of Computer System Security
- Organized Internal Hackathon for Smart India Hackathon-2022

Greater Noida
